

Quotes

"The new Bearfoot CD [American Story] sounds good."

-No Depression Facebook Page

"*Bearfoot: American Story* is a tremendous collection of songs from a supremely talented group of songwriters and musicians. The album is the perfect blend of bluegrass, pop, country, and old time American folk styles of music... Music fans everywhere do not hesitate to purchase a copy of *Bearfoot: American Story* you will not be disappointed."

-Larry Vanderpool, *Awaiting the Flood*

"*American Story* is a scrumptious blend of traditional bluegrass, western swing and Nashville country. It is an album of gorgeous songs from a band that knows the way to build an audience is to simply make the music and wait for them to come."

- Stormy Lewis, *Roughstock.com*

"For this new album, *American Story*, ...the signature harmony and ensemble playing remains top notch."

-Jim Blum, *FolkAlley.com*

"...[American Story] is a lively and inventive record."

-David Maine, *Pop Matters*

"Old time, roots, Americana, folk, bluegrass – whatever...it's just plain old pleasure."

-The Boston Globe

"That's a lot of talent in one place, with a boatload of rootsy original material, singers capable of taking harmonies in any of several directions and just enough instrumental virtuosity to keep the music moving along."

-The Nashville Scene

"Rare is the album that contains no filler, but that is the case with Bearfoot's fifth album: a testament to determination and musical integrity, "American Story" is just the latest chapter to be written by one of the most interesting outfits working the bluegrass and Americana circuits."

-Donald Teplyske, *Country Standard Time*

"American Story is one of the most refreshing, alluring projects I've had in my CD player this year, and there are plenty of reasons why."

- Craig Havighurst, *Music City Roots*
